SALTS STOMA SUPPORT WEAR

Our stoma support wear is made from a lightweight breathable fabric which contains no cotton. Soft and comfortable, the two-way stretch fabric allows you to move around freely, while ribbing on the front provides a flush finish, making your pouch virtually invisible. Our briefs and boxers are available in black, white and a discreet, neutral colour – perfect under any clothes.

"I would like to say how pleased I am to have finally found underwear that is very comfortable and supports my ileostomy bag."
